#1

Benefit Night at Arby's®

Arby's will donate 10% of the sales from your Benefit Night to support your non-profit 501C school or church.

HOW IT WORKS

- Your school or church will coordinate the event with an Arby's representative at least one month prior to the desired date. Next an Arby's location and a three hour time period will be selected to best meet the needs of your Benefit Night.
- Benefit Nights will take place on a Sunday through Wednesday.
- The Arby's representative will email you a sign and flyers for you to distribute. The organization will be responsible for spreading the word by all means available to the organization and encouraging organization supporters to come to the event.

NIGHT OF THE EVENT

- At least three volunteers from the organization will be present during each hour of the three hour time frame to interact with guests and help clear tables.
- Arby's will donate 10% of the sales from the three hour time frame. A check will be mailed within 4-6 weeks after the event.

ARBY'S LOCATIONS
