BENEFIT NIGHT AT ARBY'S®

Arby's will donate 10% of sales from the Benefit Night to support a non-profit 501C school, church or youth development organization focused on childhood hunger, leadership or career readiness.

HOW IT WORKS

- Each organization will work with the Donation's Coordinator 4-6 weeks prior to the event to select an Arby's location, date (Sunday through Wednesday) and three hour time frame.
- Visit drmarbys.com/locations for participating Arby's restaurants.
- The Donation's Coordinator will email a sign and flyers for distribution.
- The organization is responsible for advertising the event via social media, email, newsletter, local media, etc.

NIGHT OF THE EVENT

- At least three volunteers from the organization will be present during the three hour time frame to interact with guests and help clear tables.
- A check for 10% of the sales will be mailed within 4-6 weeks after the event.

HOW TO GET STARTED

Six weeks prior to the event visit drmarbys.com/donations and fill out a donations form.

Our Donation's Coordinator will contact you within 2 weeks with any follow-up questions
